

**BUILDING INSPECTOR TRAINEE
COMMUNITY DEVELOPMENT DEPARTMENT**

MAJOR FUNCTIONS: Performs technical work and conducts field inspections of building construction, including, plumbing, mechanical, electrical, gas, energy, accessibility and environmental protection, to ensure compliance with the Florida Building Code, City codes, laws and ordinances. Work is performed under the direction of the Building Official.

ESSENTIAL DUTIES: Inspects to determine that buildings and structures are constructed in accordance with the governing building codes and City codes and ordinances. Recognizes deviations from approved plans and specification during the construction process and suggests corrective measures. Explains, interprets and enforces regulations and codes with firmness, tact and impartiality. Enters inspection results and comments into City-issued computers using permitting and inspection software. Performs other non-essential duties as required.

KNOWLEDGE, EDUCATION, AND EXPERIENCE: Knowledge of materials, methods and practices used in construction trades, including codes and regulations governing building, plumbing, mechanical, electrical, gas, energy, accessibility and environmental protection. Ability to establish and maintain effective working relationships with City employees, architects, realtors, contractors and the general public is essential.

High school graduation or GED required. Prefer Associate's degree in building trades. The successful candidate shall have five (5) years experience as an architect, engineer, building inspector, contractor or construction superintendent. The successful candidate must hold a standard license as a One and Two Family Dwelling Inspector. Prefer the candidate to hold an additional standard license as a Building, Commercial Electrical, Plumbing, Mechanical, or Electrical Inspector, or a plans reviewer from the Florida Department of Business and Professional Regulation (BPR). Must possess a valid State of Florida Drivers License.
