The design engineer certifies that the plans and specifications provided meet the requirements of Chapter 3 381 AND 514 Florida Statutes, Chapter 64E-9 of the Florida Administrative Code and the current Florida Building Codes.

Application is hereby made for a swimming pool permit to do the work as briefly described above and in consideration of the issuance of such permit, I agree that this application is subject to being built as referenced to the applicable approved plans and in accordance with all zoning ordinances, building codes, and any other ordinances of the City of Auburndale and laws of the State of Florida applicable thereto. It is understood that any deviation from the information contained herein, unless approved by the Building Inspector, will render the permit null and void. Also, I agree that the property will not be occupied until a Letter of Completion, or a Certificate of Occupancy has been issued by the City of Auburndale.

*Be advised a screen enclosure requires a separate permit.

**Please note that a residential swimming pool, spa and hot tub safety act form must be accompany this application.

Additional documents include Site Plan, Checklist (Residential/Commercial), TDH Worksheet, and Safety Barrier Form. See www.auburndalefl.com

I hereby certify that the information set forth above is true and correct and that I am the property owner or lessee or acting as the agent of either and have been authorized by them to make this application.
