- . List of Current Suggested Projects

ANALYSIS: The Community Redevelopment Agency Plan provides for projects in the following categories: Beautification, Economic Development, Infrastructure, and Administrative Support Projects. The current list of suggested projects is an on-going list and is amended annually according to public, staff, and CRA Board input.

An advertisement was placed in the local media and posted on the City’s website encouraging residents and business owners to provide input to the CRA Board on future projects.

All suggestions will be brought back before the CRA Board in May 2024, at which time the Board will consider amending the Capital Improvements Program (CIP) to reflect a new “fifth year” to accommodate new projects.

STAFF RECOMMENDATION: Approve the Suggested Project list to include any additional projects.
