**ISSUE:** The CRA Board will hear a presentation on the proposed budgets for fiscal year 2026/2027 and fiscal year 2027/2028.

**ATTACHMENTS:**

Proposed FY 26/27 and FY 27/28 CRA Budgets

**ANALYSIS:** The proposed FY 26/27 and FY 27/28 Budgets being presented at this time reflect the proposed CIP projects in the first two years of the five-year CIP that was presented at the CRA's last meeting on May 18, 2026.

In addition to general operational expenses, the proposed FY 26/27 Budget provides CRA funding for the following CIP approved projects:

- \$75,000 for US Hwy 92/Havendale Blvd. Corridor Plan
- \$500,000 for Wiley Drive Streetscape Reserves
- \$2,000,000 for Splash Pad Construction
- \$500,000 for Pickleball Reserves

\$500,000 for Wiley Drive Streetscape Reserves represents the third year of building reserves for the construction of a new streetscape on Wiley Drive. Funding for the Splash Pad represents the third and final year of funding for the project, with a total of \$1.5 million built in reserves and \$500,000 of new money in FY 26/27, for a total of \$2,000,000 for the Splash Pad construction. The \$500,000 for Pickleball Reserves represents the first year of reserves for the expansion of the tennis courts to include pickleball courts.

In addition to general operational expenses, the proposed FY 27/28 Budget provides reserve funding for the the Wiley Drive Streetscape project (\$500,000) and for the Tennis Court Expansion & Pickleball Courts (\$1,000,000).

The proposed FY 26/27 and FY 27/28 CRA Budgets for revenues and expenses are balanced. The final budget will be presented to the CRA for approval in August. If approved by the CRA, the CRA Budget will be included with the City's Annual Budget and presented at Public Hearings in September.

**STAFF RECOMMENDATION:** Tentative approval of the proposed FY 26/27 and FY 27/28 CRA Budgets.
